October 16, 2026

Dear Coach,

Thank you for volunteering your time to coach. Volunteers like you are what make programs like these run smoothly and is extremely important to all the families participating. For most of these players this may be their first team program or their first large group program; anxiety and excitement may be high.

Kindergarten basketball will be held on Wednesdays @ 4:00-4:45pm in the Wells Elementary gymnasium starting January 6, 2027. Players in Kindergarten will be using junior size (27.5) basketballs and shooting at 8' hoops. Practice plans will be emailed and handed out each week; teams will run certain group drills together under the direction of Marilyn. Coaches will also have time during our practice to work independently with your team.

Enclosed are the practice plans for the first day of the program as well as a skill description sheet. On the first day coaches will work with a random group of players to instruct drills with; this will not be your assigned team. Teams will be announced, and t-shirts passed out on week 2.

Also enclosed is a coach's application, background check, and other information. If you have not coached for Wells Parks & Recreation this school year, please fill it out and bring it with you to the first practice or email it to me at mwallace@wellstown.org If you have any questions, please don't hesitate to call the Rec. office at 646-5826.

Thank you again for your time.

Sincerely,
Marilyn K Wallace
Assistant Rec. Director
Wells Parks & Recreation
