

TOWN OF WELLS

MEMORIALS AND SPECIAL GIFT DONATIONS

Wells Harbor Community Park is scenically situated on Harbor Road in Wells. Its pristine marshes, glimmering dunes and beautiful harbor provide a perfect backdrop for an intimate wedding, family gathering or a special civic event. It is, by any measure, a lovely and ideal setting for memorable occasions.

Many people who frequent the Harbor Park and other areas of town wish to make a donation to contribute to the variety of on-going improvements and beautification projects currently underway.

Donations can consist of a memorial bench with an inscribed plaque, a memorial paver around the flag pole, a memorial tree to be planted in town and/or funding for park improvements.
