**games are 30 minutes scrimmages.

We are excited to offer a few friendly games against other town's grades 1 & 2 lacrosse teams. These are optional games outside of the normal Wednesday practice time. We will like it if everyone could attend the games but totally understand if you choose not to play.

Players will be lent a red/white pinnie to wear for the games, so all Wells players have the same color/jersey. Teams will play 4-6 players on a field, no goalies, using a softer ball or bean bag ball. I am unsure if games will be similar size to the 3/4 grade field or smaller. Rules will be NO checking, at least 1 pass in the offensive area, no covering the ball with your stick, and no draws or face offs at center just possession. Players will need their sticks and eye protection; the Rec will bring some to borrow if you need; it is suggested to wear cleats and mouth guard.

Please let me know if you will or will not be attending the game. I can be reached by email at mwallace@wellstown.org or by text at 207-251-8213. Or inform me at practice before the game.

Thank you,
Marilyn Wallace
